CAPTAIN BRITAIN'S GREAT FLAG MYSTERY

As well as the good old stars and stripes, just how many other flags of the world do you know? Here's your chance to get a bit of education and have a lot of fun, too. Like Captain Britain, all the characters on these two pages (just some of the World Federation of Superheroes), go by the name of Captain. The balance of their name will be the name of the country whose flag we have depicted on them.

See if mom and dad will dig out some reference books and help you a bit.

You think you know 'em all?
We're proud of you... but
check the answers just to be
sure.
